# UNSW College

Your direct path to UNSW Sydney

UNSW College, wholly owned by UNSW Sydney, provides alternative pathways for students pursuing entry into UNSW Sydney. With over 50 years of experience, our programs ensure a seamless transition to undergraduate degrees, empowering those who missed direct entry to achieve their academic and career aspirations.

## Gateway Admissions Pathway

If you're a domestic Year 12 student, the UNSW Gateway Admission Pathway is an alternative pathway to UNSW which considers more than just your ATAR.

If you qualify for the UNSW Gateway Admission Pathway but didn't quite reach the ATAR required for direct entry, you may receive a 'slip back offer' to study a diploma with UNSW College.

# Diplomas

The 12-month Diploma, delivered by UNSW College on behalf of UNSW Sydney, is designed for ambitious students like you who want another way to get into your preferred UNSW degree. It's not a step back – it's a stepping stone. You can choose to study a **Diploma in Architecture, Business, Computer Science, Engineering, Media and Communication or Science**.

- Diploma has slightly lower entry requirements than the equivalent bachelor's degree.
- Classes start a little earlier than UNSW Term 1, so be prepared to get started early.
- Diplomas are CSP approved, and HECS-HELP Loan is available.

## Meet Harrison

"Completing my diploma at UNSW College prepared me immensely for university life. I thrived in the diverse environment, honed my time management skills, and embraced the higher standard of education and dedication."

## Harrison's journey

\*To progress to UNSW Sydney students must meet the progression requirements for their chosen pathway program

# Why choose a diploma with UNSW College?

## No time compromised

Keep your university goals on track without adding extra time. Progress directly to second year of your chosen UNSW Sydney degree once you successfully complete your 12-month diploma.

## Equivalent to first year

Dive deep into the same course material as first year UNSW Sydney students. With all content recognised by UNSW Sydney, you'll be on equal footing with your university peers when you progress.

## Part of the UNSW family

Feel like you're a part of UNSW from day one. Study on campus in Kensington and enjoy full access to top facilities such as:

- world-class libraries
- design studios, engineering, and science labs
- sports facilities
- Arc @ UNSW's 300 social clubs and societies.

## Support for success

Our student services team is committed to supporting you every step of the way, with access to:

- after-hours Study Club
- assistance with student admin tasks
- internship and volunteering opportunities
- weekly individualised consultations with tutors.

## Personalised guidance

With smaller class sizes and at least 20% extra teaching time compared with the first year of a UNSW degree, you'll receive individual attention, instilling confidence for when it is time to progress.

## Global network

Study alongside international peers to gain a global perspective and build a network of friends from around the world.
