

## **Ili Pelletier** **Independent Industry Expert**

Ili Pelletier has extensive higher education experience. She was most recently the Director of the Higher Education unit at TAFE NSW. She has many years of experience in TAFE, where she was involved in higher education program development, leadership and support, relationship management, planning and service delivery. Ili chaired for 10 years the Australian TAFE Higher Education Provider Network. Ili's vision and leadership have been a significant contribution to the success of higher education in TAFE NSW, with the number of higher education courses and students growing.

Ili has a Master of Education from Monash University and was awarded the inaugural Bruce McKenzie fellowship in 2014. Ili has an in-depth knowledge of quality assurance, risk framework and regulatory requirements to develop, implement, evaluate and continuously improve higher education programs that accommodate the needs of diverse government/community sectors and student cohorts.
