Student Services and Amenities Fee (SSAF)

2025 Allocation Report

Introduction

The *Higher Education Support (Student Services, Amenities, Representation and Advocacy) Guidelines 2022* (SSARA Guidelines) require higher education providers to provide a publicly available report on student services and amenities fee (SSAF) allocations and actual expenditure for the year as part of their annual reporting and in the form approved by the Minister. This *SSAF Allocation Report* is the form approved by the Minister.

The information provided in this *SSAF Allocation Report* does **not** require auditing by a financial accountant. The SSAF expenditure reporting is a separate process and remains unchanged, more information can be found in the [Financial Statements Guidelines](#) for Table A and B providers, and in the [Financial Viability Instructions: Applicants and Providers of FEE-HELP \(FVI\)](#) for all other approved providers.

SSAF Consultation and Achievements

UNSW College is committed to providing students with exemplary support and development opportunities, and a vibrant campus life. UNSW College ensures that SSAF expenditure complies with s19-38(4) of the Higher Education Support Act 2003 (the Act) through oversight from its Fees and Scholarships Committee. In order to comply with the requirement in the Act for providers to allocate a minimum of 40per cent of SSAF revenue collected to student-led organisations, UNSW College allocates a minimum of 40% of SSAF revenue to Arc@UNSW College, a student-led, not-for-profit organisation which provides services to UNSW College to support students across a number of key areas and provides reports on the key activities and initiatives it has delivered using SSAF funding provided by UNSW College. These reports are reviewed by the Fees and Scholarships Committee in line with the Act.

UNSW College consults annually with its Student Representative Council (SRC) to determine students' priorities for SSAF funding. The views of the SRC are considered by the management of the Fees and Scholarships Committee in deciding the annual allocation of SSAF revenue to different priorities. In 2025, SSAF funding was allocated 42% on to Arc@UNSWCollege Ltd for the provision of clubs and activities for students to enhance their sense of belonging to the College, and 27% to vendors for the provision of food and drink to students on campus. The remaining 31% funded our Study Club program, an after-hours academic support club for students of all disciplines through the employment of individual peer leaders.

SSAF Revenue Summary

Total SSAF revenue collected:

	2025 Allocation \$	2025 Actual \$
SSAF Revenue	\$524,605	\$524,605
SSAF revenue carried forward from 2024	\$0	\$0
Total SSAF funds available for 2025	\$524,605	\$524,605
SSAF revenue carried over into 2026	\$0	\$0

¹ Allocation refers to the SSAF funds expected to be received in the reported year (i.e., budgeted SSAF revenue).

SSAF Charge Summary

The student services and amenities fee (SSAF) charged to students must not be above the maximum fee for a calendar year. The maximum SSAF is indexed annually as required by the *Higher Education Support Act 2003* (the Act). In **2025** the maximum SSAF was **\$365**.

Student Status	2025 SSAF charged \$ ²	Number of students charged in 2025 ³
Full-time ¹ (> 0.75 EFTSL)	\$365 per annum	796
Part-time ¹ (< 0.75 EFTSL)	\$91 to \$122 per term ⁴	1218
Total:		2014

¹ Note: As per Part 2 of the *Higher Education Support (Administration) Guidelines 2022* (Administration Guidelines), students studying on a part-time basis must not be charged more than 75 per cent of the maximum SSAF that a higher education provider determines for students studying on a full-time basis. The term “part-time basis” means a study load of less than 75 per cent of the normal full-time student load for the period to which the fee relates. As per part 7 of the Administration Guidelines, the normal EFTSL value for a full-time student studying over a period of one year is 1.0.

² Note: As per Part 2 of the Administration Guidelines, a higher education provider may choose to determine a different SSAF for particular categories of persons, including a zero amount.

³ Note: Students are categorised as full-time or part-time students based on the total EFTSL value of the units of study they undertook in 2025. For example, a student undertook a full-time study load in Semester 1 which was equal to 0.5 EFTSL and undertook a part-time study load in Semester 2 which was equal to 0.375 EFTSL. This student would be categorised as a full-time student in 2025 as the total EFTSL they undertook in 2025 was equal to 0.875.

⁴Note: Fee charged depend on the number of terms of study undertaken in 2025 and the study load in each term but in no case amounts to more than 75 per cent of the full-time fee per term.

Student Status	2025 SSAF charged \$ ²	Approx. number of SSAF students remote learning ⁴
Remote learning/Online only	\$0	0

⁵ Note: The Department of Education understands that not all higher education providers capture mode of study in their information systems and many students undertake a mixed mode of study such as face-to-face and remote learning. The data provided above is for students who undertook remote learning for 100% of their units of study.
